

Welcome Back.

We are grateful and delighted to be able to attend Mass in person again after the many weeks of virtual attendance only. We are so thankful for all in the community of Caherconlish/Caherline who made this virtual attendance possible.

Let's seize this Opportunity to make our **faith community** what we want it to be as we begin work on renovating Caherconlish Church.

HAVE YOUR SAY: OUR CHURCH IS ITS PEOPLE.

IDEAS/RESOURCES: Thank you to all who volunteer in all areas of our Church family. A lot of people still see the Parish as belonging to the priests. The **New Model of Church** as in the early church sees the parish and the liturgy belonging to the members of our faith community. We invite people as in the early church to take more ownership of their parish, it is everybody's responsibility. If you have any ideas or are aware of resources or talents that would help our Church as we move forward as a faith community, you can put your suggestions into the Safe Box in either church. **No idea is too big or too small and no person is too old or too young to make a suggestion.**

VOLUNTEER: The Renovation of Caherconlish Church is a very big undertaking and Caherline Church is also in need of repairs. If you would like to be part of this project only, we would appreciate your knowledge and help. Of course, this is just one aspect of our Church you can become involved in. No matter how much time you have, you can use it in helping us build our faith community.

Please fill out your name and telephone number below and a member of the Parish Pastoral Council will be more than happy to chat with you.
