**FEAST OF THE EPIPHANY OF THE LORD**

**A Guiding Star:**

**We welcome the Stars shining brightly over our Churches. They represent our need for a guiding star, some kind of radar or compass that gives meaning and direction to our journeys. The heart can remain empty and yearning for something more, a Place, a Person where the pilgrim heart can find peace and direction. The Epiphany brings us the story of the Three Wise Ones travelling to Bethlehem under the guidance of a Star. As we journey into the New Year, may Christ's Light enable us to be open to the immense possibilities that the future has in store for us. As I said to the one who stood at the gate of the year, "Give me a light that I may tread safely into the unknown".**
