Trócaire Boxes - Please take home one. East Africa is afflicted by a severe 2-year drought. No rain, no food; then hunger, famine, death. Somalia is a large country in East Africa, on the part that sticks out into the Indian Ocean. There, Trócaire and its agents are keeping 200,000 people alive - in camps & tents, with basic food & clean water. Your 'home box' can help.
