**Reflection for the beginning of a new School Year**

**What will this year bring?**

**We do not know;**

**It will likely bring its usual times of work and play, experiences of success and challenges. All things that are part of school life.**

**It is a new beginning;**

**The planting of a seed that will grow for a year, the seed of fruit that will blossom in times to come.**

**It offers new hope; hope for good work, for successful results, for friendship, for fun, for learning.**

**In this coming year, may there be learning, prayer and fun, May there be hard work, faith and friendship.**

**May no one in the school be lonely;**

**may no one be left out in class;**

**may no one suffer because of how others treat them.**

**As we begin this year in hope, in prayer and in friendship, may God begin it with us, be with us during it, and successfully bring it to its conclusion.**
