A NATIONAL SYNOD will take place to engage with every Catholic in getting their views on what shape the future Irish Church needs to take. How does one best do this? What would be your preferred option for engagement in a conversation process about the Synod? You can place your suggestions in the Safe Box in either Church **before 15th May** or we (PPC) will send on the accumulated responses to the Bishops. And/ or you might also consider putting forward suggestions on how we as a parish can move forward post-Covid.
