Trócaire invites you to learn more about our Lent 2025 family and Church resources for 2025 with 19th February 2025 7:30pm webinar- called "Listening to Nature" where over four sessions, we come into communion with nature.

This resource aims to help participants listen more deeply to God's creation. The methodology used in this resource is inspired by the four stages of the Synodal Process undertaken by the global and Irish Church in recent years.

These four stages are: Prayer, Listening, Consultation and Discernment. St. Vincent de Paul Annual Collection: We wish to thank most sincerely all those who contributed to the Annual Churchgate Collection and those who donated using the blue envelopes. All money received was used to support people in need in our local area. Fuel and food hampers were distributed to families at Christmas. We would also like to thank the organisers of the Abington Church Christmas Carol Service for their very generous donation again this year. We also acknowledge the donation made by the organisers of the Tom Walsh Run for their very generous support again this year.
