

Caherconlish / Caherline Parish
Member of the St Ita's Parish Pastoral Group

10th September 2026

SEASON OF CREATION MONTH - Sept 1 to October 4.

SUNFLOWERS: now is the time to save some seeds for next year. The seeds form under the yellow flowers. You may see some seeds as the petals start to fall off. When the back of the sunflower head turns from green to yellow or brown, the seeds are normally ready. Check that the seeds have formed, then remove the sunflower head and bring it inside to dry, maybe on a windowsill for 2/3 weeks. The head has dried out when it feels crunchy and the seeds can be loosened out. You can leave the head as it is or remove the seeds and store them in a paper bag or envelope for next year's plants. Please share seeds with others.

APOLOGIES: A number of people weren't able to connect with the webcam directly in the link above (only through the website) due to a setting for live streaming disabled in our account portal. This has been corrected. The livecam can now be accessed directly. It is important to get feedback so that earlier detections of faults can be fixed more readily.
